

## Western State Hospital

**Address:** 2400 Russellville Road, Hopkinsville, KY 42240

**Phone:** (270) 889-6025

**Website:** <http://www.westernstatehospital.org/>

**Services:** Western State Hospital is an acute care adult psychiatric facility operated by the Commonwealth of Kentucky. The hospital serves the 34 most western counties in Kentucky. All referrals for admissions come from one of the Community Mental Health Centers serving the four regions of Western Kentucky.

The hospital is an acute care facility accredited by the Joint Commission on Accreditation of Hospital Organizations (JCAHO) and certified by the Centers for Medicare and Medicaid Services (CMS).

The median length of stay is five days for new admissions. Western State Hospital is one of four state-operated or state-supported acute psychiatric facilities in Kentucky.

# Muhlenberg County, KY Resource Guide

## **Muhlenberg Job Corps Center**

### **Muhlenberg Career Development Center**

**Address:** 3875 St. Rt. Hwy 181 North, Greenville, KY 42345

**Phone:** (270) 338-5460

**Fax:** (270) 338-3615

**Website:** <http://muhlenberg.jobcorps.gov/Home.aspx>

#### **What We Do:**

Job Corps is a no-cost education and career technical training program administered by the U.S. Department of Labor that helps young people ages 16 through 24 improve the quality of their lives through career technical and academic training. The Job Corps program is authorized by Title I-C of the Workforce Investment Act of 1998. For more information about the Job Corps program at a national level, please visit our official website.

At Muhlenberg Job Corps Center, we support the Job Corps program's mission of teaching eligible young people the skills they need to become employable and independent and placing them in meaningful jobs or further education.

**Eligibility:** To enroll at Muhlenberg Job Corps, please contact an admissions counselor at (800) 733-5627. If you would like more information about Job Corps, visit the Job Corps Recruiting Web site and request an information packet.

**Services:** Services for People w/ Disabilities & Their Families  
Children & adults w/ disabilities & special needs find highest-quality  
services designed to meet their individual needs when they come to  
Easter Seals. Teams of therapists, teachers & other health  
professionals help each person overcome obstacles to independence  
& reach his or her personal goals. Easter Seals also includes families  
as active members of any therapy program, & offers the support  
families need.

### **Medical Rehabilitation: Promoting Independence & Quality of Life**

Whether through a birth condition, injury or illness, or because of  
functional limitations experienced in aging, Easter Seals medical  
rehabilitation services -- including physical therapy, occupational  
therapy, speech-hearing therapy and early intervention -- are the first  
step toward helping people with disabilities gain greater  
independence.

### **Job Training and Employment: Building Skills to Find -- and Keep -- a Great Job**

Adults with disabilities looking for meaningful employment find  
training and placement opportunities through Easter Seals job  
training and employment services. Easter Seals staff helps people  
identify their employment goals and structure job training programs  
to meet these personal goals.

### **Child Care: Providing a Learning Environment for Children and Peace of Mind for Parents**

Meeting a growing need for high-quality child care for more than 20  
million young children & their working parents, Easter Seals offers  
child care for children ages 6 wk. to 12 yr. Young children are  
welcomed to a unique environment where children of all abilities  
learn together.

### **Adult Day Programs: Anticipating the Needs of Adults with Disabilities and Older Adults**

Extending Easter Seals' medical rehabilitation expertise, Easter Seals  
adult day services meet daytime needs of adults with disabilities and  
older adults while promoting their dignity and independence. Easter  
Seals partners with families to ensure a continuation of their high-  
standards of care.
