Community Grants Program

1. Who can apply for a Community Grant?

The Felix E. Martin Jr. Foundation welcomes grant applications from nonprofit organizations for the benefit of the residents of Muhlenberg County, Kentucky. Grant proposals should support civic, educational or cultural projects in Muhlenberg County, with preference to those that relate to an aspect of the four key areas of need, Economic Development, Youth Services, Substance Abuse Services, and Health/Human Services.

Applicants must be either:

- A nonprofit, 501(c)(3) public charity in good standing, or a charitable project that is fiscally sponsored by a 501(c)(3) public charity in good standing;
- A church;
- A public school or school district, OR
- A unit of government serving Muhlenberg County, Kentucky

Please note, the Foundation does not support:

- Grants to individuals;
- Grants to faith-based institutions *for religious purposes or expansion of church facilities or operations*;
- Requests that seek to substitute or supplant funding that is the legitimate responsibility of government;
- Requests from units of government that have their own capacity to raise funds, or requests that are intended to reduce the funding responsibilities of taxing authorities;
- Organizations that discriminate due to race, color, religion, national origin, political affiliation, age, sex, sexual orientation, gender identity, disability or any other legally protected classification.

2. How can I apply?

If, after reviewing the guidelines above, your organization feels that your project meets the criteria for consideration, please call the Foundation at 270-977-9194 to discuss your project. During the call, a Foundation staff member may direct you to complete a Community Grants application.

After an application is submitted, you may be asked to provide more detailed information after Foundation staff completes an initial review of the application. This may include providing additional materials, a face-to-face interview or site visit.

3. How much funding can an organization apply for?

Grants of any amount will be considered. Grant applicants requesting in excess of \$20,000 are likely to be considered outside of the Community Grants program and will likely require additional time for review and approval.

4. When are Community Grants applications due?

The Foundation accepts grant requests throughout the year and makes funding decisions on a quarterly basis. Quarterly deadlines for consideration in fiscal year 2022-2023 are:

Monday, July 18, 2022
Monday, October 17, 2022
Monday, January 16, 2023

If your organization is selected to receive a grant from the Foundation, you will be asked to sign a formal grant agreement. This document will detail how the grant will be paid, on what time schedule you will execute your project, and when project updates will be submitted to the Foundation. Once your project is complete, a final project report to the Foundation will include financial documentation of how the grant money was spent, what the results and outcomes were, etc. A site visit may also be conducted.
